Great little app. No ads and relatively intuitive. Good start. 24-10-2013 02:28 PM Sugarem I would definitely recommend it. As a side note, the article says that the "Recommended words" widget keeps freezing. This is something I have personally experienced. 30-08-2013 09:49 AM PAT_SOMEONE_I_NEED_THIS_SO_MUCH It is better than the official(because they have it for some versions of the android phones) 26-08-2013 07:40 AM Lexua My app is the same. 31-07-2013 09:13 AM Arash906 Its really good app! I found it on Google Play Store and downloaded it straight away. I think the app is better than the official one because: - No ads. - It doesn't store the words in a file, so it's much smaller, so it works faster. - It's easy to choose the language that you want to learn the word from. - You can remove the words from the history, so you don't have to worry about having too many words. 26-07-2013 09:47 PM Saranoro Just be careful when you are looking for the translation! I found two different versions of English at the beginning, then later when I wanted to translate a word I used the same one so it still found it on the same line. 12-07-2013 10:26 PM Sugarem I don't want to give negative feedback, but the recommended words keep freezing, so I can

What's New in the?

PekiLine Dictionary is designed to be a personal English vocabulary. Words are translated on-line using a Google dictionary, the translation includes pronunciation. The application stores all searched words in the local history for more learning. This is a MUST HAVE dictionary for any traveler.
